

Board of Director Candidates

Board of Directors are volunteers elected by the credit union membership. They are responsible for working in partnership with our management team to lead the credit union to the success of its mission: “Cultivate the financial well-being of our members by providing resources to achieve financial freedom”.

The FCU Board provides governance and leadership, fiduciary oversight, vision and strategic direction, valuing the needs of the membership as a whole. We are looking for members who can work with a diversified group of people and build a consensus as to the future direction and operation of Farmway Credit Union. You do not need a degree in finance; however, you must be comfortable in reading, understanding, and analyzing the financial documents of the organization. An individual must be willing to make the time commitment necessary for the service of the credit union. Credit union membership is required.

Farmway Credit Union is a financial cooperative and its members benefit from a diverse group of volunteers. Thank you for considering the donation of your time and talent.
